The Officers and members of the Plant City Black Heritage Celebration Committee would like to take this opportunity to thank you for your past support, contributions and participation in the annual Black Heritage community festivities.

In preparation for our 2016 Celebration, we have attached a "Membership Application" which is also available on our website which is online at [www.CELEBRATION2.HOMESTEAD.COM](http://www.CELEBRATION2.HOMESTEAD.COM) and we have attached a copy of the application with this correspondence for your convenience.

Please distribute and post the attached "Membership Application" for participation in the 2016 Plant City Black Heritage Celebration Committees.

We need all Churches, members, and friends to volunteer the many talents, skills, and abilities to make a positive difference in the lives of our youth in the Plant City community. The cultural celebrations give us an opportunity to celebrate our youth and give honor to those who provide significant contributions to help improve our community.

An old African proverb, "It takes a village to raise a child." It takes unity in the community to make a positive difference.

I can be reached at 813-453-7134 or email [sharonmoody91@yahoo.com](mailto:sharonmoody91@yahoo.com) for additional information.
